### Our Parking Space:

For your convenience, we have a reserved parking space at **16 Kelburn Parade**.

Once at 16 KP, look for the reserved space with **the cone saying "Baby Lab Reserved"**. **In case the cone goes missing**, we have also indicated our spot with a star in the photo to the right.

You will **not need a parking permit** to park in this reserved space.

The parking space is reserved for you for the time of your appointment, so one should be available when you arrive. If someone has taken the reserved space, please park in one of the 120 minute spaces on Kelburn Parade, or call us at (04) 463 7469 so a Research Assistant can assist with finding an alternative.
